## Forge Names 2

Hammerhill

Mountain Smith

Icelandic/Swedish/Norwegian – inspired names.

Elements of some Polynesian influence (not wholly Viking land to add Runeterran exotic twist)

Nice to have – one syllable so it sounds more gruff and manly.

Name should sound manly, with harsh syllables and be relatively “fantasy” inspired.

Not looking for real world names.

Looking to up diversity of champ names in the following letters:

F – Fjor, Fjäll, Favölf, Fynnol, Flígg, Fóki, Foke, Foli, Forsé (careful/cautious is root)

D – Dwenmyr, Dwig, Dromm, Djawynn, Droimyll, Droin, Dra, Dorr, Dòrr

O – Oddy, Ongull, Org, Oi, Oyll, Oen (pronounced Owen), Olf,

P – Püg, Polf, Pjurl, Pek, Pyll, Pranyr, Proy, Pjumir,

U – Ulf, Urg, Uril/Uryl, Ur, Ud, Ull, Ungyll,

Y – Yik, Yuhorn, Yohurl, Yurn,

W – Wrunn, Wyff, Wür, Wurn, Wiln, Wyln, Weynd,

H – Haell, Hayl, Hek, Hurk, Hrümm, Hovark, Hauld, Hup, Hrunt, Huri, Hafr, Hafri, Henk, Heng, Huarr, Hoarr, Huhr, Hunr, Hurn, Hyrn, Harduk, Hardur, Huldwynn, Haruk, Helv, Helvyr, Hjöld, Hürr, Hneki, Hogr, Hyrog, Hokyll,

I focused on the following letters based on 2 criteria:

- 1 – has not had recent champion name in that letter
- 2 – has 4 or less champions whose names begin with this letter
- 3 – Tossed out Q since no fucking Icelandic sounding name is gonna have a Q.
